ROTARY E-CLUBS CONSOLIDATED STATISTICS

Dear Presidents and Secretaries of Rotary e-clubs,

Thank you to the 12 Rotary e-clubs that participated in our first collection of statistics for the Board of Rotary International. Two Rotary e-clubs did not submit data.

Our goal was to combine the data from all Rotary e-clubs into a single consolidated numeric overview as at 31 December 2007.

The consolidated data is impressive, and demonstrates the significant contribution being made by our community of Rotary e-clubs around the world.

Sincerely,

PP Chris Joscelyne Rotary E-Club One District 5450
