Joining Rotary: Is our eClub right for you? After reading this brochure, if you have further questions about Rotary in general, or about our Rotary eClub, please email us via our website

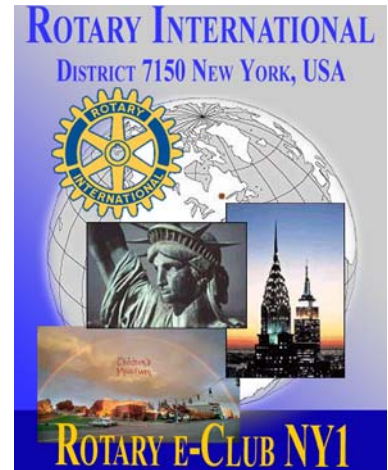

If opportunities to increase contacts around the world, for greater social interaction wherever you are, and to "do some good for others" appeal to you, then Rotary is for you!

If your current circumstances are such that it is not possible to meet the attendance requirements of a traditional Rotary club, which is typically a weekly meeting in a specific location, then membership in Rotary eClub is definitely for you.

Formation of Rotary e-Clubs: In June 2001, Rotary Int'l Board created an E-club project to test the viability of clubs conducting activities through electronic communications. The project will run to at least 2009-10 to allow time to test the concept, which appears to be highly successful.

Rotary e-Club NY1

What is Rotary e-Club? We are a service club of men and women from around the world. We share common values of service to our community, to international peace and understanding, and of high business ethics. We meet in cyberspace 24 hours a week, 7 days a year! We are full-fledged Rotarians who are involved in & attend Rotary events around the world.

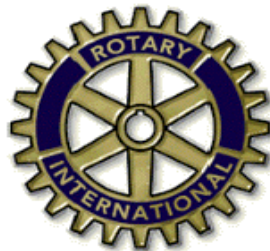

Our e-Club commitment is widespread through our volunteer time and donations to the global community, which benefits organizations such as the Children's Museum (*sponsoring a Rotary Resource Reading Room*) and the Rotary Foundation (*supporting its many programs, such as: Polio Eradication, Ambassadorial Scholarships, Group Study Exchange, and Rotary Centers for International Studies in peace and conflict resolution*). These & Rotary's youth programs (*Youth Exchange, RYLA, Interact, Rotaract*), foster peace by building understanding through personal contact, friendship, study & cross-cultural exchange.

Rotary Int'l Vision for 2010: Rotary will be recognized for its leadership and success in the eradication of polio, will have a strong visible presence worldwide, will achieve enhanced capacity for service with diverse membership, will advance its ideals of high ethical standards, international understanding, goodwill and peace, through

a membership united in service.

The Origins of Rotary The beginning of the world's largest "networking movement" was the Rotary Club of Chicago, formed on 23 February 1905 by lawyer Paul Harris and three friends.

Rotary's Mission Networking is fine, but if it's to last 100 years it needs a larger objective. What has sustained Rotary is its service - in the workplace, the local community, and internationally. Rotary's

"Service Above Self"

Polio Plus Program

efforts build global goodwill and peace, provide humanitarian service, encourage high ethics.

Membership Rotarians are professional men and women who actively contribute to quality of life in theirs and others communities. Rotary is a volunteer organization with over 1.2 million Rotarians working in more than 32,000 Rotary clubs in 168 countries. Rotary club members represent a cross-section of business and professional leaders worldwide.

These men and women donate their expertise, time, and funds to support local and international projects that help people in need and promote understanding among cultures. The organization initiates humanitarian programs that address today's challenging issues. Rotary's flagship program is its effort to protect children against polio, with the goal of ending the disease throughout the world.

Rotary Today

- Rotarians initiate **projects** that address many of today's most critical issues, i.e. violence, drug abuse, AIDS, hunger, the environment, illiteracy.
- Rotarians gain an understanding of, and have an impact on, international humanitarian issues around the globe.
- Rotarians work **with youth** to address challenges facing them, learn leadership skills and the importance of community.
- Rotary provides an opportunity for Rotarians to work for international peace & understanding, by sponsoring educational and humanitarian programs, such as **PolioPlus**, where more than one billion children worldwide have been immunized since 1985.
- Rotary's **international network** helps link people in need with Rotarians in other countries that can provide resources such as health care, clean water, food, job training, and education - particularly in the developing world.
